

February 9-11, 2009 India Habitat Centre, New Delhi, India

Citation

EDGE (Emerging Directions in Global Education) is a forum collectively conceptualised by prestigious institutions from India and overseas, with a view to bringing higher education in India on par with the best in the world. The Vision Group and Academic Programme Committee for EDGE have decided to honour visionaries & leaders who have made significant contributions to Indian education sector.

Young EDGE Award 2009

for Education Leadership is being conferred upon

Dr. Vidya Yeravdekar,

Principal Director -Symbiosis Society

for her exemplary contribution in internationalisation of Higher Education. Dr. Vidya has represented India in many international education events and can be truly described as the young face of Indian Higher Education. Dr. Vidya transformed Symbiosis as India's one of the highest ranking Institution known for transparent and principled management practices.

Dr. Vidya is a postgraduate in Medicine and also has a degree in Law. She is one of the youngest member of the UGC, Government of India.

Dr. Vidya has won several awards and serves as a member of several professional committees. EDGE Forum wishes this young education leader continued success in her professional and personal endeavours.
